Most advice about managing time focuses on individual actions. Coaches tell us to reassert control over our e-mail, be far more selective about which meetings we attend, and so on.

### **Your Scarcest Resource - Harvard Business Review**

Harry is a bitter, angry, misogynist with a small penis and highly insecure infatuation with contact sports. Refusing to man up and contribute positively to society, Harry travels the world taking advantage of poor, third world women while he swindles innocent businessmen in the boardrooms of numerous developing countries.

What is the greatest threat to humanity? We are, of course....and our technology. Like a dangerous weapon in the hands of a child, technology has overtaken our capacity to control potential consequences. Oxford University's Future of Humanity Institute, led by director Nick Bostrom, says we have entered this new kind of technological era that we have no track record of surviving.
