Sociological theory vs. social theory. Kenneth Allan proposed the distinction between sociological theory and social theory. In Allan's usage, sociological theory consists of abstract and testable propositions about society. It often heavily relies on the scientific method, which aims for objectivity, and attempts to avoid passing value judgments. In contrast, social theory, according to Allan ...

Certain names are frequently seen in Amish communities, reflecting the relatively closed nature of Amish society. This is a result both of the Amish reluctance to proselytize, and also the difficulty of joining a group with specific patterns of behavior, language, dress, and approach to technology.
