We believe the best way to assess your problem-solving skills is to discuss a real client scenario with you. This helps us understand how you structure tough, ambiguous business challenges, identify important issues, deal with all the implications of facts and data, formulate conclusions and recommendations, and articulate your thoughts in a fast-moving discussion.

Master of Business Administration | Part Time MBA in ...

An MBA in finance provides a broad education that produces favorable economic outcomes for graduates when compared to similar graduate degrees, like a master's in finance. Master's in finance curriculums are much narrower than what you'll find in an MBA program, and while master's of finance graduates can enter the workforce quickly, MBA graduates tend to have a wider range of skills.
