Coastliners Joanne Harris

Because my books already borrow quite a lot from members of my family, their history and their memories, I have to be especially careful not to go too far, not to re-open old wounds. So far, so good. But Coastliners is different. The story behind Coastliners hasn't ended yet, and may never do so.

Coastliners | Joanne Harris

Coastliners is French author Joanne Harris' lackluster effort. Coastliners is the story of the inhabitants of an island in France called Le Devine. The island is sharply divided between two villages. The village of La Houssiniere is prosperous, modern and located on the side of the island with a nice beach that attracts tourism.

Review: Coastliners by Joanne Harris | Books | The Guardian

Joanne Harris' Coastliners is a departure from her Lansquenet stories (Chocolat, Blackberry Wine). She leaves the sleepy French mainland village and all of its upbeat charm and magical realism for a sleepy French island village full of superstition, suspicion, envy, competition, lethargy and - finally - hope.

Coastliners book by Joanne Harris - Thriftbooks

I've read Joanne Harris's three food-related books (of which Chocolat was the first and best-known) so was interested to try Coastliners, a novel about people living on a small island off the coast of France, which was a slightly different venture.. The opening is a bit dull - I skimmed the prologue, which described the island of Le Devin, featured in the book, and the two main parts of it ...
