All Mandy Muse had to do was mind her own fucking business. No one asked her to go snooping around in the "abandoned" building, looking for the source of the screams. It is, however, a convenient way for OT to attract new victims in the end. Maybe if he makes this one scream long enough another hot and nosey little minx will come wandering through his door. <br><br>Here's Mandy's problem.

What is a dominant dog? Some people attribute all problem behaviors to “dominance”, while others do not want to use the “dominant dog” label at all. The truth, as always, is somewhere in-between. It is useful to recognize dominant behaviors in our dog, so that we can better manage him, keep him safe, and set him up for success.
