He learned a lot more about the war than anybody else. He shared this information with his fellow Code Talkers. They would change the code a lot so others could not figure it out. They would tell all of the Code Talkers if any changes had been made. A Code Talker named Sam Begay sent a sample message out.

About the book - Code Talker

Originally published in 2005, Code Talker: A Novel About the Navajo Marines of World War Two, is a middle-grade work of autobiographical fiction by Joseph Bruchac. The story is based on historical events and told from the perspective of Ned Begay, a now-elderly Navajo man who refers to readers of the book as "My Grandchildren."

Code Talker Summary & Study Guide | SuperSummary

A code talker was a person employed by the military during wartime to utilize a little-known language as a means of secret communication. The term is now usually associated with United States service members during the world wars who used their knowledge of Native American languages as a basis to transmit coded messages. In particular, there were approximately 400 to 500 Native Americans in ...

Code Talker by Joseph Bruchac (ebook) - ebooks.com

I am a genealogist and a history lover, and I found this book immensely engrossing. Even though it is written for a younger audience, there is so much detail and food for thought, not only about the war and the jobs of the code talkers, but their experiences evoke tangents of thought regarding racism, prejudice, irony, persecution, and stereotyping, to name a few.
