Plato's Socrates, in prison and being urged to flee execution, raises in acute form, and for the first time in European thought, a central question: is it right to disobey the state? Socrates' controversial answer in "Crito" has generated much contemporary literature, but no English commentary of the Greek text for seventy-five years.

About Plato: Crito. While this new edition of Crito is the first English commentary of the Greek text for seventy-five years, the dialogue has long been prominent in philosophical and political debate on Ancient Greek social and political ideas. At the same time, Plato's reasonably straightforward language makes Crito a popular text...

So: If they were of any use, Crito, the many would be able to do the greatest evils, and so they would also be able to do the greatest goods, and that would be fine. But as it is they can do neither, since they cannot make a man either wise or foolish, but they do just whatever occurs to them. Cr: Well, let's leave that there.
