Blues is a music genre and musical form which was originated in the Deep South of the United States around the 1870s by African Americans from roots in African musical traditions, African-American work songs, and spirituals. Blues incorporated spirituals, work songs, field hollers, shouts, chants, and rhymed simple narrative ballads. The blues form, ubiquitous in jazz, rhythm and blues and rock ...

African roots. There are few characteristics common to all blues, as the genre takes its shape from the peculiarities of each individual performance. Some characteristics, however, were present prior to the creation of the modern blues, and are common to most styles of African American music. The earliest blues-like music was a "functional expression, rendered in a call-and-response style ...

This is a record that even those who aren't Deep Purple fans can listen to two or three times in one sitting -- but then, this wasn't much like any other album that the group ever issued. Actually, Deep Purple was highly prized for many years by fans of progressive rock, and for good reason. The group was going through a transition -- original lead singer Rod Evans and bassist Nick Simper ...
