Focus on the top left box of the picture you are copying. Look at the edges of the skeleton in the picture below. Forget the details for now and focus only on how the outside contours of the figure fill the rectangle.

The Helpful Art Teacher: How to create and use a drawing grid

The side of each square equal the sum of the previous two squares. The squares become progressively larger following the Fibonacci sequence. Copy this pattern on to a piece of graph paper and continue to add squares, following this sequence until you run out of room.
