One thing blogging and good copywriting share is a conversational style, and that means it's fine to fracture the occasional rule of proper grammar in order to communicate effectively. Both bloggers and copywriters routinely end sentences with prepositions, dangle a modifier in a purely technical sense, or make liberal use of the ellipsis when an EM dash is the correct choice—all in order ...

A few weeks ago, Chris and I separated. I'm not going to tell you about all the reasons, since I'm not the only person involved (otherwise, of course I'd be talking your heads off about it). On the other hand, I do have millions of observations to share about what it means to separate at such a crucial time in your life. Yep.
