### **Desire in Language: A Semiotic Approach to Literature and ...**

In *Desire in Language* (1980), Kristeva describes the symbolic as the space in which the development of language allows the child to become a "speaking subject," and to develop a sense of identity separate from the mother. This process of separation is known as abjection, whereby the child must reject and move away from the mother in order to enter into the world of language, culture, meaning, and the social.
