Do Firearm Laws Reduce Gun-Related Deaths? | Psychology Today

"Stop and identify" statutes are statutory laws in the United States that authorize police to legally demand the identity of someone whom they reasonably suspect of having committed a crime. If there is no reasonable suspicion that a crime has been committed, is being committed, or is about to be committed, an individual is not required to provide identification, even in "Stop and ID" states.

Stop and identify statutes - Wikipedia

A Fistful of Monads. When we first talked about functors, we saw that they were a useful concept for values that can be mapped over. Then, we took that concept one step further by introducing applicative functors, which allow us to view values of certain data types as values with contexts and use normal functions on those values while preserving the meaning of those contexts.

Bicycles traffic laws in Germany are worth knowing. Generally, the laws of Germany are similar to those you may be used to in the US. E.g., do not kill anyone, ride on the right side of the road, and obey all traffic laws as if you were driving a car.

German Bicycle Laws

The Four Spiritual Laws booklet and techniques listed here on how to use it are designed to enable Christians to be more effective in their witness for Christ. We do not claim that this particular presentation is the only way to introduce others to Christ, nor even the best way.

The Four Spiritual Laws - Response Confirm - 4laws.com

Filial responsibility laws (filial support laws, filial piety laws) are laws in the United States that impose a duty, usually upon adult children, for the support of their impoverished parents or other relatives. In some cases the duty is extended to other relatives. Such laws may be enforced by governmental or private entities and may be at the state or national level.
