Contemporary Topics 3 Answer Key

Christian terrorism comprises terrorist acts by groups or individuals who profess Christian motivations or goals. Christian terrorists justify their violent tactics through their interpretation of the Bible, in accordance with their own objectives and world view. These interpretations are typically different from those of established Christian denominations.

Fundamental questions. The etymological origins of the term democracy hint at a number of urgent problems that go far beyond semantic issues. If a government of or by the people—a "popular" government—is to be established, at least five fundamental questions must be confronted at the outset, and two more are almost certain to be posed if the democracy continues to exist for long.
