A dragon is a large, serpent-like legendary creature that appears in the folklore of many cultures around the world. Beliefs about dragons vary drastically by region, but dragons in western cultures since the High Middle Ages have often been depicted as winged, horned, four-legged, and capable of breathing fire. Dragons in eastern cultures are usually depicted as wingless, four-legged ...

1 A PC can climb and swim under normal conditions without having to make a check; however, strenuous conditions may require that they pass an Athletics check. Each foot of movement during such a check costs an extra foot of movement, or an extra 2 feet if it is considered difficult terrain. Characters with climb and swim speeds ignore the extra costs associated with movement of this type.
