What's the Big Idea? Integrating Young Adult Literature in the Middle School By: Marshall A. George. Drawing on New York City teachers' experiences, this article examines three ways to effectively integrate young adult literature into the curriculum: use core texts (usually novels, but also other genres as well) that the entire class read and study together; organize literature study with text ...

What's the Big Idea? Integrating Young Adult Literature in ...

World history or Global history (not to be confused with diplomatic, transnational or international history) is a field of historical study that emerged as a distinct academic field in the 1980s. It examines history from a global perspective. It is not to be confused with comparative history, which, like world history, deals with the history of multiple cultures and nations, but does not do so ...
