Death In Venice And Other

Published in English. Death in Venice is a novella written by the German author Thomas Mann and was first published in 1912 as *Der Tod in Venedig*. The work presents a great writer suffering writer's block who visits Venice and is liberated, uplifted, and then increasingly obsessed, by the sight of a stunningly beautiful youth.

Death in Venice - Wikipedia

Death in Venice is a chilling, cerebral, and beautifully rendered novella. An aging academic's Petrarchan fawning over a gilded youth in a city of supreme decadence, Mann's book seems to have prefigured *Lolita* as an examination of a deranged, if eloquent, man's search for the ideal beauty personified.

Death in Venice portrays the encounter with "otherness" as both a creative and destructive experience, in which old ideals are broken and new ones become possible.. The role of the "other" in Death in Venice has less to do with actual foreignness and foreign places, and more to do with Aschenbach's discovery of "otherness" within himself—i.e. his sexual desire.
