Corporate Finance Mcgraw Hill 10th

Corporate finance is an area of finance that deals with sources of funding, the capital structure of corporations, the actions that managers take to increase the value of the firm to the shareholders, and the tools and analysis used to allocate financial resources. The primary goal of corporate finance is to maximize or increase shareholder value. Although it is in principle different from ...

Corporate finance - Wikipedia

A corporate identity or corporate image is the manner which a corporation, firm or business presents themselves to the public (such as customers and investors as well as employees).. Corporate identity is a primary goal of the corporate communications, for the purpose to maintain and build the identity to accord with and facilitate the corporate business objectives.
