### **DICHOTOMOUS KEY ACTIVITY - Depew, NY**

Best Answer: A dichotomous key is two paired sentences that have contrasting characteristics. Think of how you might divide the list of equipment into two groups (what each item is made of, how it's used). You start with the first pair (called a couplet), At the end of each couplet, you write the number of the next couplet to go to if there's more than one item left in the group.
