Satellite images like Google Earth are cool, but of course it's limited to images that are days, weeks or even year old. There are times that you would like to see realtime overhead imagery (who's that at the door?), but sadly that privilege is restricted to the NSA, CIA, MI6 and the rest of the alphabet soup.

In business, a corporate raid is the process of buying a large stake in a corporation and then using shareholder voting rights to require the company to undertake novel measures designed to increase the share value, generally in opposition to the desires and practices of the corporation's current management. The measures might include replacing top executives, downsizing operations, or ...

### **Corporate raid - Wikipedia**

As the owner of a corporation, you are required to hold shareholders' and directors' meetings, maintain corporate records, and document major corporate decisions. If you neglect these formalities and your business runs into legal trouble, a court may decide to disregard your corporate status -- and hold you personally responsible for the corporation's debts.
