Link to Departments website. The major in Accounting at UGA is designed to give students an understanding of the theory of accounting as it is used in our society: accounting standards, financial statement preparation, product costs, budgeting, taxation, auditing, risk assessment, and controls.

University of Georgia

The structure of a literature review for an article. When a literature review exists as part of an introduction to a study, it follows the structure of the Introduction itself and moves from the general to the specific—presenting the broadest background information about a topic first and then moving to specific studies that support your study, finally leading to your hypothesis statement.
