"Where most people have activity, a hot area giving them feelings, emotions and enabling them to love, there are a rare few who have a cold spot, affecting their ability to feel emotions, empathy." Empathy is definitely a dark read. Gritty with some intense parts, this book is a great romantic psychological thriller.

So I like to tap into my inner freak as much as the next girl and I decided to pop my Ker Dukey cherry by reading Empathy and it was everything I hoped for and more. 5 Stars does seem a bit of an injustice but I was seriously disappointed the book ended - I'm desperate for more. I was taken in, chewed up and spat out again.

Ker Dukey always writes a brilliant story but Empathy shows she means business. One of my favourite books this year, she definitely has a talent writing the darker romances, and i hope we get to hear more from Blake and especially Ryan.
