Did You Know? Every solar eclipse casts an umbra, the darker central area in which almost no light reaches the earth, and a penumbra, the area of partial shadow where part of the sun is still visible. Penumbra can thus be used to describe any "gray area" where things aren't all black and white. For example, the right to privacy falls under the penumbra of the U.S. Constitution; though it isn't ...

Tourists are a most common sight at the abbey of Mont Sainte-Odile in the summer. So, when a somewhat hefty, tall man walked down the marble stairs leading to the first floor of the guesthouse, hardly anyone noticed. His backpack contained a Bible, which is normal in a place where people come for religious pilgrimages, but this Bible was more than 500 years old.
