As we pointed out in the previous installment, it seems the least we can ask of a movie that's based on a true story is that it, you know, be based on a true story.. We don't expect them to stick with every boring fact, but time and time again we find out that the entire point of the story has been totally fabricated.

TNT's I Am the Night is based on a sordid true Hollywood tale but the prestige miniseries makes a lot of changes to real history for the sake of its dramatic narrative. Created by Patty Jenkins (who directed the first two episodes) and her husband, screenwriter Sam Sheridan (Warrior), I Am the Night stars Chris Pine as reporter Jay Singletary and India Eisley as Fauna Hodel.

The Doctor Who Project (aka TDWP) began life in late 1998 when several members of the then fan group TASC (Telefantasy Appreciation Society of Canada) were discussing the fact that Doctor Who was no longer on television. This group of fans joked about what the show would be like if they were in the producers chair and in charge of making the series.
