edit data. Arby Robbins developed his writing skills while authoring seven mystery and suspense novels and dozens of short stories (under a different name). Dreaming up outlandish stories has always been fun for him. As a kid, during nap time his eyes were closed, but instead of sleeping he was creating imaginary people and places in his head.

1 C onroe Williamson stepped into the shopping mall looking for trouble, wearing a black leather motorcycle jacket and pants with spike-toed combat boots that added two inches of height to her lean, muscular, six-foot frame. Lipstick color: Dead Black. The silver ring in her nose matched the ones in her ears. Her braid of dark brown hair hung at her back, curled up at the end, threatening ...

Arby Robbins | LibraryThing

The Robbins Company was the principal supplier of TBM technology for this project. They developed a new, hybrid-type machine concept to successfully manage the 10-bar water pressure anticipated in the worst sections of the tunnel. The project had been a dream for over 100 years, and was finally accomplished through a close collaboration between ...
