What would have made Double Life better? I found the story in the book to be very one-dimensional. Lyssa and her alter ego Razia are different personas, but these two characters themselves are flat. There isn't much intrigue or nuance. And Razia's adventures are not exciting either. And Lyssa herself isn't very likable.

Double Life (Razia Book 1) Kindle Edition by ... I was impressed with Double Life! It's a pretty short sci-fi book with only the teeniest foreshadowing of romance and those are three things that can be a hit or miss for me. I get annoyed with a lot of shorter books because they tend to feel underdeveloped, but this one didn't feel short!
