Richard Wolff, Democracy at Work: A Cure for Capitalism (Chicago: Haymarket Books, 2012) He briefly but ably discards the right-wing view that disasters such as the Great Depression of the 1930s were caused by too much government intervention – but he also takes issue with Keynesianism. He explains how, during the 1930s,...

I have my work cut out for me. And there will probably always be room for me to grow, and attitudes I need to re-evaluate. Am I still a good person? Probably. But I have come to learn that goodness is not a miracle cure for racism. And racism is all around us, and within us too. In difficult times "good" people seem to come out of the woodwork.
