Violet had never worried about the echoes of the dead before. She'd never spent much time wondering why a certain body carried the sensation that it did—the bold tastes, the intricate colors, the intense smells. She'd just accepted them for what they were. They were simply part and parcel of those who were taken away from this world too soon.

I don't know if this is because I expected more with each book, or if my standards became higher. Whatever the reason, I did not enjoy Desires of the Dead as much as The Body Finder and I did not enjoy The Last Echo as much as Desires of the Dead and I did not enjoy Dead Silence as much as The Last Echo. I know I should have gone back and ...
