According to the U.S. Census Bureau, 35 million people in the United States were aged 65 and older in 2000. By 2030, the bureau expects that figure to double. The expanding senior population seems to be accompanied by a rise in elder abuse. As people live longer and require more assistance in old age, the problem of elder abuse is likely to intensify.

**Elder Abuse Demands Family Solutions: News: The ...**

Elder abuse is a serious problem that can have harmful effects on victims. The goal for elder abuse prevention is to stop it from happening in the first place. However, the solutions are as complex as the problem. Knowledge about what works to prevent elder abuse is growing. However, most prevention ...

The solution to elder abuse was standing there right in front of me. And his name was Harry. When we met, Harry was 87. He was fiercely independent, resilient and relentless in his drive to improve his own life and the lives of others. He knew personally the pain and harm of elder abuse, neglect, and financial exploitation.

The Elder Financial Safety Center, based in Dallas, Texas, opened in May 2014. And based on what I heard from the six women whose employers partner on it, speaking at a panel at the Aging in America Conference of the American Society on Aging in Chicago, I'm hoping other elder abuse victim advocates around the country create local replicas.
