EDIT : Sadly enough, I'm dropping my review of this novel by a star, and dropping the novel as well. My problem here is that the novel IMO no longer continues in the spirit of the previous Douluo Dalu series (or at the most just pays lip service to it), and has become just another run of the mill wuxia novel.

Question: "What is Bel and the Dragon?" Answer: Bel and the Dragon is one of several additions to

the book of Daniel. The original book of Daniel ends after chapter twelve. The extra material is found only in translations, such as the Septuagint, but not in the Masoretic Text. Bel and the Dragon is a later addition most likely derived from various legends and folk stories about Daniel.
