An Economic History of Australia by Edward Shann. PREFACE. THE following account of Australian economic development attempts, to keep in the forefront the private activities by which British settlers in Australia have transformed a prison-yard and hunting-ground of savages into a productive annexe to Europe and Asia, proud of using its labour-saving methods as means to general well-being.

An Economic History of Australia - Project Gutenberg Australia

{Page vii} PREFACE TO THE FIRST EDITION. This little History, in eight chapters, only touches a few of the more prominent incidents connected with pastoral settlement and the gold discovery in the Ballarat district. The compiler has seen the growth of the town from a mere collection of canvas tents among the trees and on the grassy slopes and flats of the wild bush to its present condition.

The History of Ballarat, from the First Pastoral ...
