In all the 50 cases of people I've filmed under deep hypnosis talking about their moms, they all claimed the same thing; "I chose her." They talk about a "life planning session" and then "casting" who is going to play the various roles in a lifetime. And even the worst parents - you know who I'm talking about - the worst of the worst - were part of that planning session.

The Martini Shot

Many people now realize that using Wi-Fi is not wise – both for security and health reasons. Wired Ethernet-based internet access goes a long way toward solving these issues. However, even a wired

internet system can cause health effects if setup incorrectly. This is because of the electromagnetic interference (EMI) that many new modems and routers create.
