How to Write a Company Email Policy | Advance2000

Auto Dealer's Training. All auto dealers (under the age of 65) are required to attend this training in order to renew their license. The law requires that the person whose name is on your auto dealer's license must attend this training, although it would be helpful for anyone working in independent auto sales to attend.

Extension Education - Fayetteville Technical Community College

9. What is Gap Analysis? Answer: Gap Analysis is a technique to analyze the gap between the existing system and functionalities, and the targeted system. Here gap means the amount of task or change that may be required to get the intended result. It's a performance level comparison between the present and the proposed functionalities.
