Mediation is a dynamic, structured, interactive process where a neutral third party assists disputing parties in resolving conflict through the use of specialized communication and negotiation techniques. All participants in mediation are encouraged to actively participate in the process. Mediation is a "party-centered" process in that it is focused primarily upon the needs, rights, and ...

### **Mediation - Wikipedia**

Do not meet separately with people in conflict. If you allow each individual to tell their story to you, you risk polarizing their positions. The person in conflict has a vested interest in making himself or herself right if you place yourself in the position of judge and jury.
