Communion A True Story Whitley

Communion: A True Story is a book by American ufologist and horror author Whitley Strieber that was first published in February 1987. The book is based on the experiences of Whitley Strieber, who experiences "lost time" and terrifying flashbacks, which hypnosis undertaken by Budd Hopkins later links to an alleged encounter with aliens.. The book was later made into a film directed by Philippe

Even if Hafsteinn had read the records beforehand, it would still not discredit him as a fraud, because they told only part of the story. The records did not mention the missing leg (only saying that Runki's remains were dismembered), nor did they say anything about the femur that found its way into the walls of Ludvik's house.

Ufology isn't much help in the matter. In his A UFO Hunter's Guide (2012), Brad Lueder simply denies that there were any anal probes, dismissing the formulation as "misinterpreted and misunderstood" sexual experiments on board alien craft. He's wrong, of course, but it shows that some ufologists want to distance themselves from what Lueder calls the "sneers and jokes" of "modern ...
