Death 24x A Second Stillness

"Death 24x a Second whispers rather than shouts, gently leading readers through a series of reflections on stasis, life, and death. In reference to stillness and the photograph, Mulvey elegantly aligns the divergent discussions of Andre Bazin and Roland Barthes, offering a productive assessment of each writer's attempt to grapple with the paradox of a time that was, in the past, a 'now.' . . .

Death 24x a second stillness and the moving image laura ...

Mulvey recalls this scene in her book Death 24x a Second, as she engages in a dialogue with Barthes, for whom cinema was normally free from the elegiac effects that he described in photography. The project of Mulvey's book, as described in the subtitle, is to bring to the surface the repressed stillness of the moving image, and by doing so, return to cinema many of the attributes that Barthes rules out.
