"Using brilliantly simple math that illuminates universal emotional truths, Emotional Equations crystallizes some of life's toughest challenges into manageable facets that readers can see clearly--and bits they can control.

### **Emotional equations : simple truths for creating happiness ...**

review 2: I received this book for free from Goodreads First Reads.This book was very structured, each chapter being an equation, and each equation having a real-life story to begin, followed by an explanation, and how to work through the equation. Each equation is not just emotions, but personal values as well.
