No. In the movie 21, an unorthodox math professor named Micky Rosa (Kevin Spacey) leads the team. The 21 true story reveals that the real MIT Blackjack Team was led by three individuals, none of whom were professors. Arguably, the most notable is Bill Kaplan, a Harvard Business school graduate who had also done his undergraduate studies at Harvard.

In the revelations revealed to Moses the Word was accentuated to him to not forget "the pattern", the model, showed to him in the mount. The paradigm (pattern,model) revealed on the mount was a kind of parabolic mirror... and contained in its "shadows of things to come" religious truths expressed in paradox, (seemingly confusing and contradictory propositions).
