The Salem witch trials were a regrettable episode in colonial American history. In Salem, Massachusetts, in 1692, numerous innocent people were convicted on charges of making pacts with devils and demons and executed by hanging. The trials themselves were a farce, including the submission of 'evidence' such as a fondness for cats or the presence of a wart.

ince the Industrial Revolution, our organizations and society at large have held three biases regarding learning. First, the transmission of knowledge from an outside expert, whether a teacher, consultant, or “best practice,” is seen as the essence of learning. Second, by institutionalizing “off-line” classroom learning, the building of capacity becomes separate from the use of [...]
