Countdown Michelle Rowen

I am, and although the basic premise isn't new, trust me, Countdown by Michelle Rowen is one adventure that will have you hanging from your fingernails as a twisted society pits two teen "throwaways" against the evil machinations of artificial intelligence and a society that craves the thrill of an extreme reality show, from the safety of ...

Michelle Rowen - Author

But it's a bit of a which came first situation, because Michelle Rowen's first draft of Countdown was actually an adult book published under the pen name Michelle Maddox the same year the first book of The Hunger Games came out, 2008. I enjoyed it as a fast-paced, action-packed read, although it contained more violence than I am used to.

NetGalley is a site where book reviewers and other professional readers can read books before they are published, in e-galley or digital galley form. Members register for free and can request review copies or be invited to review by the publisher.

Countdown | Michelle Rowen | 9780373210909 | NetGalley

The feeling of my heart clenching when I'm afraid for the characters and afraid of what's going to happen is probably one of the best feelings in the world. The adrenaline that Michelle Rowen created for me was just powerful. But yes, this was a dystopia sci-fi thriller romance, with some fantasy introduced in between.

A Thousand Lives Lived: Countdown, by Michelle Rowen

The cognitive dissonance is jarring throughout, particularly for anyone who read the original Countdown, and has the superior version floating around in their brain. Verdict: Go pick up a copy of Countdown. Skip Countdown 2.0. There is plenty of YA Dystopian out there critiquing the media, video games, and violence in our youth. Most of them ...
