01 SW6 LP - PC\|MAC

Best Answer: You would have to assume that space was created before the Earth because the Earth, itself, occupies space. The Earth is made up of matter, and matter occupies space. If god where to create the Earth, then he would have simultaneously created space. The question is down to whether he created ...

If God created earth and then space? | Yahoo Answers

If you look at Earth from space, and imagine you could see the people standing on it, you'd see that the force from each person is directed towards the ground. If you slice the earth in half and draw arrows straight down from people standing on the Earth, you'd see they all point towards the center of the Earth.
