Community Reviews. In Edge of Sight, Zach is back from fighting the war on terror, but it cost him the woman he loved and an eye and left him scarred, emotionally damaged, hollow, and lost. I'm a fan of Roxanne St. Claire's Bullet Catchers series, and this is a great debut read in the spin-off Guardian Angelinos series.

THE EDGE OF SIGHT is one of my favorite books by Roxanne St. Claire. It's the first in her Guardian Angelino's series, but Zach and Samantha's story really starts in the prequel, "Taken to the Edge". This one starts with Samantha witnessing a murder making herself the target of a professional hitman.
