Famous Croatian American Philosopher Prof. Dr. Daniel Kolak

Honestly like a couple reviewers here Kolak has changed my life for the better. The guy is vulgar, a bit strange, and really funny (George Carlin brand of humor). He's way overqualified to be a William Paterson instructor and has a bunch of interesting stories to tell. He'll open up your mind to a lot of scientific as well as ethical world views!

Self and Identity: Daniel Kolak, Raymond Martin ...

Open individualism is the view in the philosophy of personal identity, according to which there exists only one numerically identical subject, which is everyone at all times. It is a theoretical solution to the question of personal identity, being contrasted with empty individualism, the view that personal identities correspond to a fixed pattern that instantaneously disappears with the ...
