The Kashmir conflict is a territorial conflict primarily between India and Pakistan over the Kashmir region. The conflict started after the partition of India in 1947 as a dispute over the former princely state of Jammu and Kashmir and escalated into three wars between India and Pakistan and several other armed skirmishes. China has also been involved in the conflict in a third-party role.

Avoiding the Clinton Legacy. The failure of the Clinton administration to make significant breakthroughs in the Israeli-Palestinian conflict, despite a major presidential effort, was a factor which influenced the Bush administration initially to maintain a hands-off policy toward the conflict, along with the general "I'm not Clinton" approach of the early Bush presidency.
