The Swedish furniture retail giant is bringing its unique style—and sales model—to China by Paula M. Miller For a truly global experience, try stepping off the streets of Shanghai into one of IKEA's largest outlets. Though the first item you see may have been made in China, it was more likely made in Vietnam, or if it is a piece of furniture, in Europe.

1. Introduction. In the field of management of technology and innovation, the ecosystem concept is of increasing significance (Adner and Kapoor, 2010, Kapoor and Lee, 2013, Meyer et al., 2005, Pierce, 2009, Teece, 2007), although the term ecosystem seems to be used without clear definition or sound theoretical backing. This paper poses three basic questions at the start of the review process.

Coolness is an aesthetic of attitude, behavior, comportment, appearance and style which is generally admired. Because of the varied and changing connotations of cool, as well as its subjective nature, the word has no single meaning. It has associations of composure and self-control (cf. the OED definition) and often is used as an expression of admiration or approval.
