The activities below can be used with students while attending California's Great America for Physics, Science & Math Days. Most of these activities as well as other resources are distributed on a CD-ROM.

Packet of Worksheets - iPage

Answer: 0.0067 m/s 2. Like a lot of physics word problems, there is more than one path to the final answer. In all such problems, the solution involves thought and good problem-solving strategies (draw a picture, list what you know, list pertinent equations, etc.). The tortoise, moving at a constant speed, will cover the 1200 m in a time of:

1D Kinematics Review - with Answers

Physics Day at an amusement park such as Six Flags America is an appropriate end of the year activity for both middle and high school physical science students. The physics of the rides is the basic material of a first-year physics course. Roller coasters demonstrate the conversion of gravitational potential into kinetic energy; rotating swing
