When twins Sheridan and Taylor wake up 400 years in the future, they find a changed world: domed cities, no animals, and a language that's so different, it barely sounds like English.

The Irish Banana Review: Review: Erasing Time by CJ Hill

1) At some point I will forget to pick winners for the day. I will feel horrible about this oversight, and yet will still be unable to go back and change time to remedy the situation. (Although Erasing Time is a time travel book, so maybe it will be different this time . . .) So some days won't have a winner posted and some day's I'll post two winners and an apology.
