A literature review may consist of simply a summary of key sources, but in the social sciences, a literature review usually has an organizational pattern and combines both summary and synthesis, often within specific conceptual categories. A summary is a recap of the important information of the source, but a synthesis is a re-organization, or a reshuffling, of that information in a way that ...

Whiteness studies is an interdisciplinary arena of inquiry that has developed beginning in the United States, particularly since the late 20th century, and is focused on what proponents describe

as the cultural, historical and sociological aspects of people identified as white, and the social construction of "whiteness" as an ideology tied to social status.

### **All Courses | UOnline**

vagueness. The characteristic of words or phrases whose meaning is not determined with precision. Use of one or more vague terms typically renders it impossible to establish the truth or falsity of the sentences in which they appear. Example: "The temperature is warm today." is difficult to evaluate because there is no clear borderline between "warm" and "not warm".

### **Philosophical Dictionary: Vagueness-Verstehen**

The following list includes journals that focus on qualitative research as well as journals receptive to publishing qualitative research. The list, derived primarily from (a) Judith Preissle's List of Journals Friendly to Qualitative Work, posted to QUALRS-L on September 22, 1996; and (b) Linda Wark's Qualitative Research Journals, a list published in The Qualitative Report, Volume 1, Number 4 ...
