Coercion. In law, coercion is codified as a duress crime. Such actions are used as leverage, to force the victim to act in a way contrary to their own interests. Coercion may involve the actual infliction of physical pain/injury or psychological harm in order to enhance the credibility of a threat.

Coercion - Wikipedia

The concept of coercion has two different faces, corresponding to the two parties involved in its most ordinary cases. On one face, it picks out a technique agents (coercers) can use to get other agents to do or not do something. On the other face, it picks out a kind of reason for why agents (coercees) sometimes do or refrain from doing something.

The book of Doctor Johannes Faust is one of the best known grimoires in the German realm. German magicians usually referred to it as "Doctor Faust's Coercion of Hell" or "The Threefold Coercion of Hell". They ascribe its origin to the Jesuits, perhaps this guess is a result of the style of the book.
