Recommendations for Students and Parents. Chemistry can be a very challenging class for some of our students. We have a larger proportion of the student body taking chemistry than any other public school in the area.

Chemistry Homepage - ScienceGeek.net

Welcome to the Chemistry 8 class page for the 2018-2019 school year. All assignments, concept packets (represents the textbook), daily class activities, lab notes, quiz and test announcements, etc. will be found here. The student is required to check this page each evening to ensure that what they have written in their CJ matches the...

Chemistry 8 (2018-2019) | chemdoctor

The Virtual Lab is an online simulation of a chemistry lab. It is designed to help students link chemical computations with authentic laboratory chemistry. The lab allows students to select from hundreds of standard reagents (aqueous) and manipulate them in a manner resembling a real lab. More information and offline downloads. Please scroll below to find our collection of pre-written problems ...
