Coming Of Age In The

Coming of age is a young person's transition from being a child to being an adult. It continues through the teenage years of life. The certain age at which this transition takes place changes in society, as does the nature of the change.

Coming of age - Wikipedia

In genre studies, a coming-of-age story is a genre of literature, film, and video that focuses on the growth of a protagonist from youth to adulthood ("coming of age"). Coming-of-age stories tend to emphasize dialogue or internal monologue over action, and are often set in the past. The subjects of coming-of-age stories are typically teenagers. The Bildungsroman is a specific subgenre of ...

The life cycle can be categorized into three different stages: childhood, adolescence, and adulthood. The period of adolescence, ages 13 to 22, include physical changes associated with puberty along with completing middle school, high school, and for some, college. This stage of life involves major undertakings and the assumption of adult responsibility associated with them.
